# CARBC Men & Boys Retreat

September  
21-23

**Cost: \$100**

## What To Expect:

Each and every time I make the decision to get out of town and head up to Pilot Lake it is transformational. There is a peace that comes from disconnecting from the routine of life's normal rush and getting away to a quiet place as Jesus often did. I would urge you to make this same decision. We are all busy. No one has extra time. But the reward is so worth it.

If you have never experienced Pilot Lake Camp you are in for a tremendous treat! Nestled in the mountains at approximately six thousand feet elevation, Pilot Lake has the pristine beauty rarely accessible.

This year's Men & Boys Retreat will be full of worship, biblical challenges and great fellowship. Whether you are young or mature, the Camp offers many extracurricular activities to help you relax, unwind and enjoy the fellowship of other men from churches around our fellowship. For the more adventurous, there are gun ranges, ATV trails, gold panning, fishing, swimming and more! For the less adventurous, there are recliner chairs, indoor games, relaxing canoe rides and more. Choose YOUR way of relaxing.
