**ABOUT BRENTWOOD LIGHTHOUSE BAPTIST CHURCH (BLBC):** We are a church of 30 members 60 miles North and East of San Francisco, California. We have a main sanctuary which can hold 387 congregants, a kitchen, fellowship hall and classrooms on a 5-acre piece of land which also holds a Christian preschool – operated separately. Brentwood Lighthouse Baptist Church exudes the warmth of a friendly Baptist Church. While being independent, we have chosen to associate with the California Association of Regular Baptist Churches (CARBC) and other Baptist churches of like faith and practice. We believe the Bible is the final authority for faith and practice, and defend the Bible as being without error. We operate as an autonomous congregationally run church.
