

2023 Retreat January 23-26

Sometimes, like with the recent CARBC Christian Workers Retreat, God blesses you to the fullest. It's like a taste of heaven on earth, as you enjoy how He gives good gift after good gift.

A first blessing of the retreat was our location. The Christian Workers Retreat returned to the seaside of Cambria. First Baptist Church excelled in hosting, providing a warm welcome and satisfying meals.

There was also the feast from God's Word, with messages from Gregory Oliver and Bruce McLain. Plus the singing and worship as led by the Boone family, include a few original hymn compositions. Times of morning prayer also pulled us closer to the presence of God.

Activities included painting with water colors, game night, fun games with prizes from the treasure chest, avid hikes (which were clarified as strolls along the beach on flat ground), and more.

Special thanks must be extended to Josh and Heather Lieurance of First Baptist Church Cambria, and to Chris and Lindsey Hurton of Sunrise Fellowship Red Bluff for organizing, leading, and putting the retreat together.

We can't wait to see what God has in store for us at next year's retreat!

Chips Ross
Pastor, Westwood Baptist Church, Fresno
